

Accessible Playground Student Work

Finished Work

Lesson 1

Engineering Team
Norms

Everybody helps!

<u>Ideas</u>	<u>Materials</u>
<ul style="list-style-type: none"> • share your ideas • ask questions • listen to each other • make sure everyone has a chance to share 	<ul style="list-style-type: none"> • be safe & respectful. • ask before taking materials from someone's hands. • show and tell team members how to use materials instead of doing it for them.

Lesson 2

Lesson 3

Our Questions:

- Who are the children here?
What are their names?
How old are they? What do they like? How do they learn?
- Why do you use wheelchairs?
- Can they use our playground?
- What do they like to do when they are outside?
- Do you have a favorite thing on the playground?

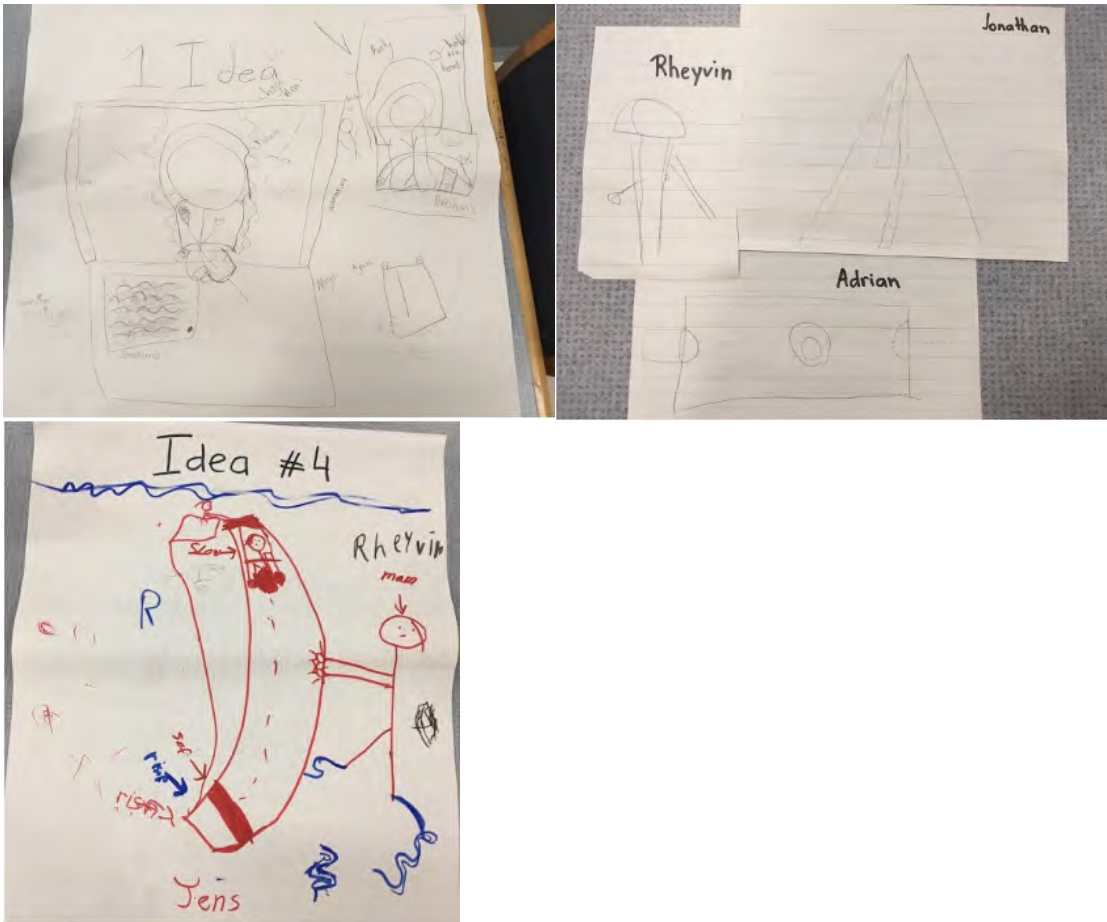

Observations ☹️	Positives 😊	Improvements ☹️
We see _____ <i>the monkey balls</i>	We like that our playground has _____ <i>the slides, the monkey balls</i>	It needs _____ <i>to have a big under slide a sign to tell the people or a hand at the top to when to go or someone to help them down I think it needs a center for wheelchair people for the thing that we need to have some space for the wheelchair</i>
